Address: 22288 Canyon River Dr Goshen Indiana 46528

Executive Summary

Proven ability to lead cross-functional teams by applying lean methodologies to identify and eliminate waste, resulting in significant cost reduction and quality improvements. Moved factories from China and the USA to Mexico in 97 days, from planning to first part out. Successfully designed a brand-new facility with proper ergonomics to facilitate time and material savings, from an idea to reality within six months.

SAM UEI Number: DV7SLL3RZGA6

Cage Code: 13FU4

NAICS Code 541611, 541614, 541618, 611430

Core Competencies

Services

- Lean transformation
- Global factory relocations
- Manufacturing layout
